TRIPLE STATION MACHINES			
PLA5VSV	<p>PLATINUM - SKATE SHARPENING MACHINE</p> <p>Largest work surface in the industry (available in granite, steel, or Teflon-coated). Dual variable-speed finishing heads ensure optimal cutting action and a perfect finish on the blade. New 5th generation exhaust system includes a redesigned impeller and industry-unique valves that automatically direct airflow to the active heads. As a result, suction is dramatically improved and noise levels have been cut in half compared to what was already the quietest system on the market. New high-capacity grit bucket and cartridge filter design virtually eliminates the possibility for installation errors and simplifies routine maintenance. Light fixtures shifted towards the front of the hood and Lexan windows in the top help illuminate the sharpening operation. Cabinet includes additional shelving for storage of accessories and commonly used tools. Rear access panels in the hood and dual sweep trays are standard. Also includes built-in cross grind dresser, low profile casters, scratch resistant lexan™ shield, service filter indicator light, keyed lockout, safety glasses, Blademaster banner, sweep tray & vacuum hose. Accepts the Mark 6 or Mark 5 Custom Radius System.</p> <p>H-54", W- 30.5", L- 65" (With dual sweep trays 71"). Weight 1,110 lbs.</p>	\$23,495.00	4
APEXHOOD	<p>OPTIONAL "APEX" HOOD</p> <p>Optional on all PLA5-series machines. The new "APEX" hood includes HI-FI audio complete with CD player, Bluetooth, USB, and subwoofer support (active or passive). New hi-intensity LED lighting and retractable Lexan shields.</p>	\$1,815.00	5

PRECISION SKATE HOLDERS			
SH2000	GENERAL PURPOSE SKATE HOLDER Entry level "Ultra Glide" skate holder can be used on most skate types. Traditional cam-handles provide height adjustment. Weight 8 lbs.	\$392.00	26
SH6000	PRO SERIES GENERAL PURPOSE SKATE HOLDER Pro Series skate holder that originated dial-increment adjustment. Allows for precise three-dimensional adjustment. Weight 8 lbs.	\$677.00	26
SH6500	SPECIAL PURPOSE SKATE HOLDER (FIGURE) Ideal for Figure Skates. The SH6500 holds side honed figure blades in the holder by clamping the blade by the stanchions, ensuring square edges. The aluminum clamp and anvil provide mar-free clamping. Weight 7 lbs.	\$618.00	26
SH7000	SPECIAL PURPOSE SKATE HOLDER (GOALIE) Ideal for Goalie Skates. The SH7000 is an excellent all around holder and has a wide stirrup to accommodate skates that will not fit over a traditional clamp post. Weight 9 lbs.	\$618.00	26
SH7700	SPECIAL PURPOSE SKATE HOLDER (CHILD) Ideal for Child Skates. The SH7700 multi-purpose holder has a smaller anvil to support shorter skates that will not fit over a traditional clamp post. Weight 7 lbs.	\$618.00	26
SH8000	PRO SERIES PORTABLE SKATE HOLDER Ideal for Travel. Portable and lightweight Pro Series skate holder for travelling teams where size and weight are a concern. Weight 4.75 lbs.	\$725.00	26
SH6002	ELITE SERIESUPGRADE KIT Complete kit to swap your existing SH6000 or SH8000 holder with the improved anvil and post from the SH6600/SH8800 Elite holders.	\$156.00	
SH6600	ELITE SERIES GENERAL PURPOSE SKATE HOLDER Same as SH6000, but with an extended-length anvil providing added support for blade-only sharpening. Also includes a modified clamp post with extra runner clearance to accommodate changing skate designs. Weight 8 lbs.	\$677.00	
SH8800	ELITE SERIES PORTABLE SKATE HOLDER Same as SH8000, but with an extended-length anvil providing added support for blade-only sharpening. Also includes a modified clamp post with extra runner clearance to accommodate changing skate designs. Weight 4.75 lbs.	\$725.00
